Subject.

Letter NO.C.1847 dated 7th June 1903, from the Dy Commr, Kolar Distt, re the proposed removal of the inhabitants of the Pitchapalli village Kolar Gold Fields, to healthier localities.

Note.

The inhabitants of the village submitted a memorial to His Highness complaining that they are forced to evacuate the village where they have been living comfortably for the past four years in houses newly built & to live in huts built at the Cooly Lines of Oorigum & Maskum and the OOrigum New Town, and praying that they may be permitted to live where they are or at least to remain there till the end of the present monsoon.

No. 17190 / L.R.P 821
Flag A

2 The memorial referred to above was received here on the 29th ulto, & forwarded to the Dy Commr, Kolar, on the 2nd instt, for early report.

3. The Dy Commr with his letter referred to above, forwards a copy of his order dated 21st April 1903, & memo dated 22nd May 03, given to Mr. Hoover, Advocate for the petitioners & states that the time for removing the huts has been extended up to 1st July 1903. i.e. (by one month)

From

From the order of the Dy Commr dated 21st April last, it is observed, that a temple has been erected & several huts put up, by Murugappa, an unauthorized occupier of Govt Agriculture lands, and other Khatedars, on ~~the~~ several ~~various~~ Survey NOs, without sanction of any sort, that they (Murugappa & other Khatedars) have levied & enjoyed a rent of annas 8/- per month on each hut, that Murugappa offered to place a sum of Rs. 600/-, being the probable amount that may be realized as rent from these sheds, per annum, in Govt charge for charity, provided the temple & the huts built on the several ~~various~~ survey NOs are allowed to remain; that the Deputy Commr has, for this act of high handed irregularity in building a temple ~~& others~~ unauthorizedly, imposed a fine of Rs.390/- @ the rate of Rs.2/- per Sq Yd, on Murugappa & another fine of Rs.110/- on the same individual for building a tiled house with a porch without permission, on agricultural land, which ~~is~~ are however allowed to remain.

Again from his memo dated 22nd May last, it is observed that the huts referred to by the memorialists are thatched ones of the most insanitary & meanest description & also irregularly built, that the village of Pitchapalli is at such a distance from the nearest Police Station as cannot be properly supervised either by the Police or Sanitary Staff, that the coolies have been offered free sites in any of the Govt colonies, the policy of opening the cooly lines on different parts of the Gold Field area being to prevent the overcrowding in villages & the indiscriminate squatting of irresponsible mine coolies on the Kandayam lands of the ryots.

In conclusion, the Dy Commr states that their removal to a healthier locality & re-erection of dwellings on a more sanitary plan, is most essential.

Endorsement —

4 As the petition which from the fact of its having been received from the Private Secretary to His Highness the Maha Rajah for disposal was forwarded to the Dy Commissioner for report, has not been signed by anybody, no ~~notice~~ further notice need be taken of the same.

Subd for orders.

Memorial to H. Highness the Maharaja

ABSTRACT

Submit that four years ago they were forced to evacuate their village and to construct huts ~~on a~~ abroad on a plot of ground marked out by the Plague officer; that a small village consisting of 105 houses, with 4 wells and two temples was soon formed at the cost of the petitioners and the pla:

2

place being healthy and affording water convenience, the petitioners have been living there since 4 years very happily and without plague infection; that the President of the Sanitary Board has now issued a notice to the petrs to evacuate their buildings by the 30th June 1903; that this order works hard on the poor memorialists and that they would be put to great inconvenience if they are to occupy the miserable huts in the cooly Colonies of Origaum Mungaum and Origaum New Town as now pressed by the Dy. Commr.

Pray that they may be permitted to remain where they are or that they may be permitted to remain there till at least the present monsoon is over

The humble memorial of the inhabitants living in the village of Petchapulle, Kolar Gold Mines.

SECTION Sany
FILE No. 18/402
SERIAL No. 2

May it please your Highness.

That your highness' humble memorialists beg most respectfully to lay their grievances before your highness' through the medium of this their humble memorial with sanguine hopes of meeting with mercy and justice.

1. That the President of the Sanitary Board has issued a notice to evacuate their buildings by the 30th of June 1903. Hence this memorial. The memorialists beg humbly to acquaint your highness' that the native population of the mines are suffering such trials and humble as they are, they are forced

to endure. As they could not beyond measures they venture to represent their grievances with hopes that your highness would have compassion and render them the support.

2. Some four years ago when the dreading plague commenced on the Mine the memorialists were forced to evacuate the village and to construct huts abroad and also the place was appointed by the Plague officer.

The memorialists in obedience to the order of the Authorities constructed huts. The spot was healthy and auspicious. One Murugappa a charitable Contractor purchased a land quite adjacent and at a great cost constructed two beautiful temples one of Gungamma and another of Vigneswara. Besides four wells were sunk on the four ends of the plot for the comfort of all the people living there. Water is full in all the four wells even in this dry season and is the best water going on the Mines.

3 Since these four years the memorialists are enjoying perfect health and by the blessing of God

the Spot has never been infested.

Your highness must know that the Mines is full of dishonest rogues who rob people in day light

To save from the hands of the mischief making crew memorialists have been constructing small and decent houses instead of huts, with tiled roofing — if not their years hard labour would be destroyed in a moment. There are nearly 105 houses in this place, and the place is kept so clean that memorialists may proudly say that it is a Sanitorium on the face of the Mines. To be deprived of such a place it is more than painful and should they be forced they lament as to what the Consequences would be.

4 Apparently if they have to occupy the miserable huts in the Cooly Colonies of Origam Marigam And Origam, New Town as proposed by the Deputy Commissioner they would be exposed to the following inconveniences.

1. Pitchapully is quite close to Balghat Mine Coramandel Nine Reefs and memorialists are all employed in the Mines noted above. 2 Should they go and

occupy the Colonies of Masijan and Orijam. they have to loose the bread long enjoyed by them and seek fresh bread. The distance is great and they could not in time attend to work. 3 Should plague make its very dreadful appearance once again alas! what would be their fate.

5. The Deputy Commissioner wishes to profit Government by hiring the Colonies.

The memorialists pray that the present spot in which they are now living be looked upon as a Colony and they are all quite willing to pay the monthly hire. By doing so the memorialists will have the consolation of living in a healthy place long occupied them for the past four years and the buildings constructed by honest labour and sweat would remain long to your highness' Generous memory. Further the temples built by a charitable individual would ever remain in a prosperous condition. The Government will not in any way sustain but have the monthly hire and annual assessment.

It is not out of place to mention that the Sanitary Board is pressing them to evacuate and the Revenue Authorities are demanding assessment.

What a Critical position. The memorialists are now exposed to unbearable difficulties and pains. Even the time granted to them for evacuation is very limited only thirty days.

The memorialists do not know what the consequences be during the approaching monsoon should they evacuate their present abode and join the distant Colonies

They have to go and build huts spending their own money and huts are not kept ready for them.

They would consider it a blessing if they are allowed to remain where they are untill the end of the monsoon.

They humbly hope that your highness would be graciously pleased to render them some justice and not be totally forsaken but render them the justice of either remaining in the same place and consider the locality to be a Colony or grant them sufficient time untill the end of monsoon and return to their own native places and seek their bread elsewhere.

May your highness have the sympathy of granting the Concession prayed for and not forsake them after approaching your highness with full hopes.

For such act of your highness and justice your highness humble and poor memorialists shall ever pray for your highness long and prosperous reign.

Expecting your highness favourable and merciful orders before the 30th of May. They beg to remain,

Your highness.
humble memorialists

H. V. Nanjundayya Esqre,
Secretary to the Government of Mysore,
Revenue & General Departments.

Sir,

With reference to your official memorandum No. 17190/L.B.P. 821 dated the 2nd instant, forwarding for report the petition of the inhabitants of Pichapalli village near Gold Field Complaining against my order directing the removal of the huts built by them, I have the honor to forward herewith for favor of information of Government, Copy of my order dated 21st April/03 and of my Memorandum dated 22nd May 1903, given to Mr Hoover Advocate for the Petitioners, which give fully the facts of the Case and the reasons which necessitated the passing of the order complained against.

The time for removing the huts has been extended up to 1st July 1903. —

The enclosure is herewith returned.

I have the honor to be,
Sir,
Your most obedt Servant,

TCCarr
Deputy Commissioner
Kolar District

Kolar Deputy Commissioner's
Champion Reefs 21.4.03.

MC to G.B.

Read Correspondence ending with Bowringpet Amildar's report No 566 of March 1903, regarding the unauthorized construction of huts in Pitchapalli Village — Bowringpet Taluk.-

- Order. -

I inspected the Gangamma's temple, and the Cooly huttings erected by Murugappa Modaliar, Maistry of Balaghat Mine, and others, on Survey numbers 220-219-331-333-328-329 of Pitchapalli, majara of Kammidenhalli, Dasarahosahalli Hobli. near Ooregaum, on the 20th April 1903. —

The temple has been erected without Sanction of any sort, and the huttings have been allowed to spring up, presumably by the above Murugappa, and the other Khatedars, on the various Survey numbers, also without authority. —

The Petitioner allows that he and the other Khatedars have levied and enjoyed a rent of annas 8- per month on each hut.

There are 176 huts on all the above Survey numbers, and the Petitioner states that he anticipates the rents to be worth Rs: 600/ per annum at least. He kindly offers to place this sum "in the charge" of Government for "charity", on the condition that the temple is allowed to stand, and the huts to remain. He is unfortunately not in a position to offer any terms. He is rather the unauthorized occupier of Government lands, which he has turned from agricultural purposes, to his own convenience and profit. —

As the temple is a permanent structure, I do not consider it necessary to order its demolition; but it has been built entirely without authority, on Government agricultural land. —

For this act of high handed irregularity, Petitioner will be called upon to pay a fine of Rs 2/ per square yard, on the full extent of land occupied by the temple, and buildings, which amounts to 195 Sq. yds. — He is therefore fined Rs: 390/- —

As regards the 176 huts, I order their removal, as the site on which they stand is by no means a Sanitary one, and cannot be properly supervised from the nearest Police Station. —

The Pariah Coolies who are occupying some of the huts, will be located in the Pitcha-pally Government Cooly Colony, and the better class Coolies will be given their choice of sites in the New Town Colony, Ooregaum Colony, or any other Government Cooly Colony. The entire removal of these 176 huts will be effected by the 1st June 1903 - by the Sanitary Inspector, if necessary helped by the Police.

The Petitioner Muragappa Mdr. has also erected a tiled house with a porch ve on "hidwali" land. —— He may retain this hut, but he will be fined 110/- (rupees one hundred and ten) for erecting it without permission on agricultural land.

His total fine will amount to Rupees 500/. —

Memo.

For the last two years, the removal of the unsightly and insanitary huts of the Cooly Squatters round the village of Oitchapalli, has been under contemplation; but owing to the want of Space in the Government Cooly Colonies, the huts were allowed to remain where they were — viz: on private agricultural land; the Squatters merely paying a hut tax of Rs 2/. per annum to Government, and a monthly ground rent to the owners of the land. —

2. On several occasions Oitchapalli village was devastated by Plague and the village bears a by no means savoury reputation in

Police annals, having been the scene of one of the biggest house-breakings of the last few years in the District. 16

With the exception of the temple and two houses belonging to the owners of the survey lands, the whole of the huts, the removal of which has been ordered, are thatched buildings of the most insanitary and meanest description.

3. Further, Pitchapalli is at a distance from the nearest Police Station, and cannot be properly supervised either by the Police or Sanitary Staff. —

The coolies have been offered free sites in any of the Government Cooly Colonies, and have been given ample time - i.e. to the 1st June, for the removal of materials etc. —

4 The policy with which the

opening of Cooly Colonies on different parts of the Gold Field area was inaugurated, was to prevent the *overcrowding of villages* and the indiscriminate squatting of irresponsible mine Coolies on the "Kandayam" lands of the ryots.—

5. In all other parts of the Gold Field area, this policy has been followed out strenuously;— and all indiscriminate squatters have gradually been swept into the "net" of the Government Cooly Colonies.—

Oitchapalli, an outlying village, has hitherto escaped; and perhaps hoped that it had been overlooked. Now that its time has come, it complains of injustice,— whereas only extraordinary good fortune enabled the village to elude the vigilance of the authorities for so long.—

6/ The present location of the huts round the Oitchapalli village is most unsuitable and insanitary; the huts are too near the village, they are irregularly built, and are of the worst description of thatched hovel. —

Their removal to a healthier locality, and re-erection on a more sanitary plan, is most essential. —

No. 3030

Name of Petitioner Muragappa Modal contractor, Balaghat mines

Village Pitchapalli Near para of Kamasenahalli Dosarahalli Hobli

~~Taluk~~ near Ooragam

District Kolar

Date of Arzi 23-6-03

Date of Receipt 23-6-03

Date of Disposal

No. of Enclosure Two

ABSTRACT

The petitioner appeals against the order of the Deputy Commissioner, Kolar, No. 535 of 21-4-03 inflicting a fine of Rs. 500 on the petitioner for erecting a temple and cooly hut-tings & a building on the agricultural land without permission of Govt., and directing removal of the huttings by the 1st June 1903.

The order appealed

MGCPB—5,000—10-11-02

against is long and in English. It is appended to the petition

The petitioner states that he has put up two temples, a house for himself and huts for those who assist at the temples;
that the temples, house and the ~~hou~~ huts stand on a more elevated land than the old village of Pitchchalli and are in a good sanitary condition:
that, in the villages near the Kolar gold mines, the people are molested by Govt authorities in times of plague and are driven hither and thither from their dwellings;
That to erect new buildings in times of plague wherever the Govt. authorities direct, is inconvenient and expensive to poor people;
that the police who

4

have been supervising the old village of Pukchipalli can also supervis the new colony; that the huts are not meaner nor less sanitary than the huts erected by the Mining Companies for the residence of ~~colb~~ coolies that the new colony is not overcrowded; that the new colony is not for the benefit ~~of~~ or convenience of the petitioners, but is intended for worship and charitable purposes;

That the destruction of the huts will entail great hardship and loss to each individual living therein, and besides, the destruction of huts will render ~~att~~ utterly useless the temples built at a cost of Rs 5000/-:

That the petr. is prepared

to pay the usual penalty
prescribed by Law, for
having put up new
colony without Govt.
permission

For these reasons,
he prays that the destruction
of the huts may be directed
to be put off pending
final order of Govt.
on this petition; that
the new colony may be
inspected by one of the
Councillors and it may
not be destroyed; and
that the usual penalty prescribed by Mysore Govt. L.R. Code
may be collected from
him."

29/6/03.

N.B.
In the petn. it is stated that
the destruction of the huts at the
new colony has been ordered to be
executed before the 1st July 1903,
but in the order of Dy. Commr it
is stated that "the entire
removal of these 176 huts will be
effected by the 1st June 1903."

The Dy Comr nowhere quotes the provision of law under which he is acting; but it may be inferred that he had in view Sec. 64 of the L.R. Code. An appeal lies to the Rev. Comr against the Dy Comr's order under this section.

2). The Dy Comr's order ~~is not warranted~~ levying the fine at Rs 2 per square yd. & directing ~~the~~ the demolition of the huts does not appear to be warranted by the Code & the rules.

Reading Rules 58-60 of the

L.R. Rules, it is clear that the fine in no case can exceed Rs 2000 per acre or Re $\frac{2000}{4840}$ per sq y^d – or roughly half a rupee per sq y^d.

Again Sec^n 64 LR Code authorizes eviction of the occupant & his tenants but not the demolition of the huts. Sec^n 59 – wh refers to unauthorised occupation of Govt land – authorizes the removal of buildings on the land & it must therefore be inferred that the omission in Sec^n 64 was intentional.

These are however matters for the consideration of the Rev Comm^r
